## Application for Temporary Noise Waiver

April 17, 2023

The Department of Environmental Protection is currently reviewing an application for a Temporary Noise Waiver as allowed under the Montgomery County Noise Control Ordinance, Chapter 31B, Section 11(a). The Department will receive comments on the application for a minimum of ten (10) days after distribution of this notice.

The Temporary Noise Waiver is being requested by Purple Line Maryland Transit Solutions, 5700 Rivertech Ct., Riverdale, Maryland, for the purpose of periodic after-hours construction activities related to installation of a water line under Jones Mill Rd. in the vicinity of Jones Bridge Rd. and Coquelin Terr., Chevy Chase. This work is part of the Purple Line Project and nighttime construction is designed to minimize water service disruptions to local residents and minimize traffic congestion and increase safety for pedestrians. The construction has been ongoing and is sequenced to minimize night work by performing the noisiest activities during daytime hours. After-hours work is scheduled to begin around May 1, 2023 and could run through July 1, 2023. The dates are subject to change depending on weather impacts, and the designated work hours are 9:00 p.m. to 5:00 a.m.

The application and related documents are available for public inspection and may be viewed on the Department's website by visiting the Noise Waivers & Suppression Plans page at: <https://www.montgomerycountymd.gov/DEP/contact/noise-documents.html#wavers>.

Comments, questions, or requests to examine documents related to the noise waiver application may be directed to [depnisewaiver@montgomerycountymd.gov](mailto:depnisewaiver@montgomerycountymd.gov).
