

Construction Notice

Temporary Closures of Rock Creek Trail

Where: Rock Creek Park between the Ray's Meadow Local Park and Susanna Lane access point.

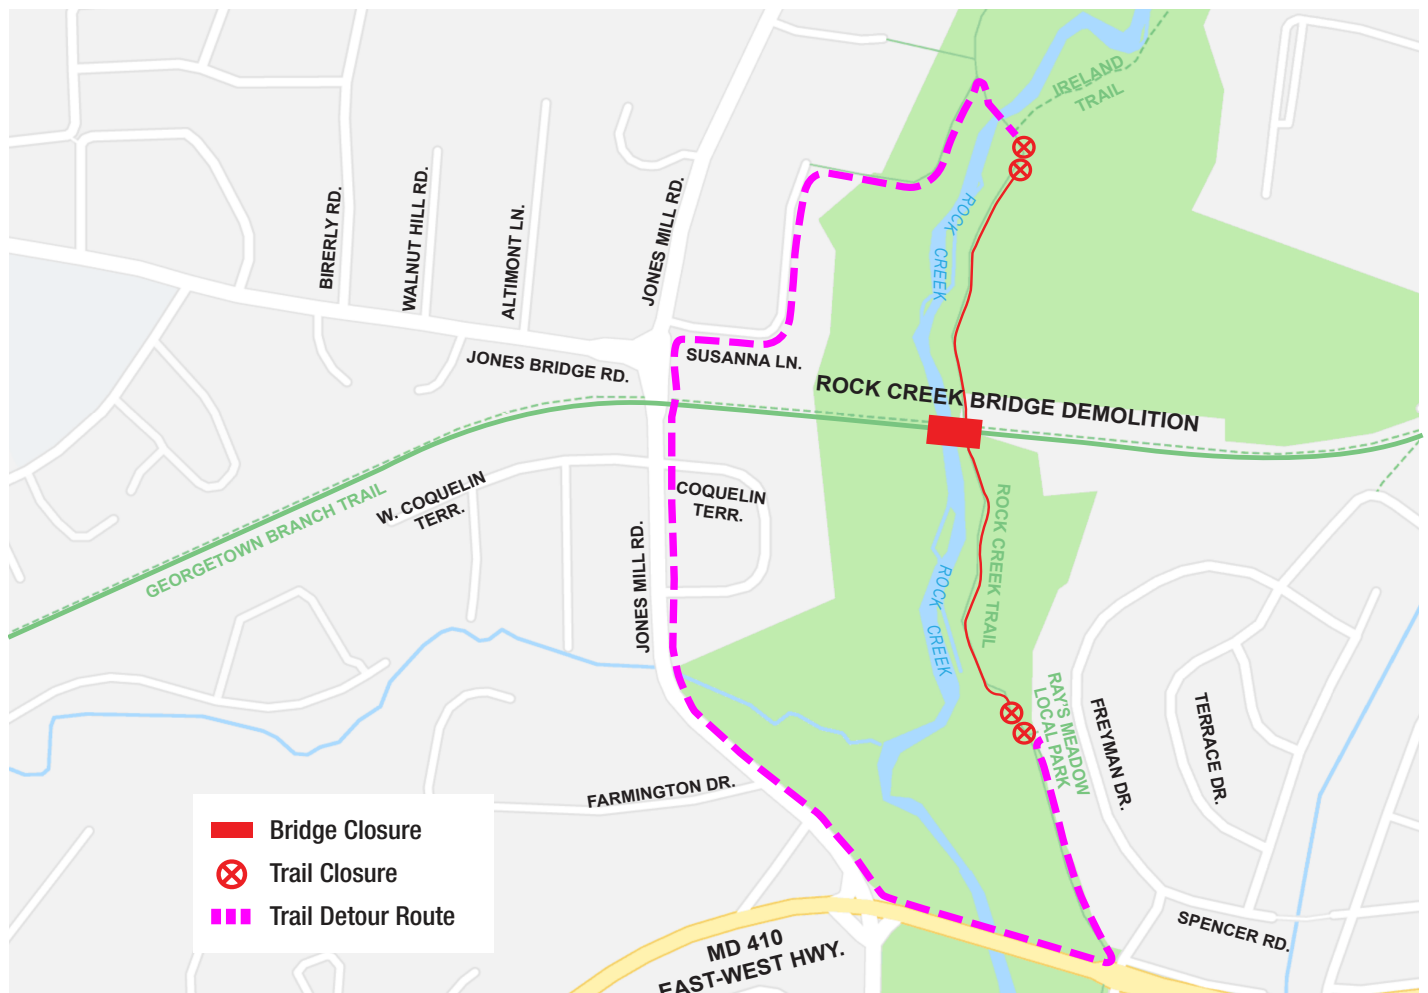

What: Work continues at the Rock Creek Bridge. A segment of the Rock Creek Park Trail (identified below in red) will be closed for approximately two weeks to safely complete demolition of the Rock Creek Bridge. The temporary detour route is outlined below. Electronic message boards have been placed along the trail, in advance of construction, to alert pedestrians.

At a later date, two new bridges will be built to carry the Purple Line light rail and the Capital Crescent Trail over Rock Creek.

This closure has been closely coordinated with Montgomery County Parks.

Please note that weather and unforeseen conditions may impact work schedule.

Pedestrians and bicyclists should avoid construction work zones; this is for your safety as well as that of our construction team.

For information on construction activities and schedule,
